United States Faceters Guild
2016 Single Stone Competition
NOVICE CLASS

The Novice Class is designed to challenge beginners. This design may be simple, but it requires a basic understanding of faceting in order to cut successfully and accurately.

To certify as a Novice, you must score a minimum of 85. To be eligible for awards, you must score a minimum of 90. The 1st, 2nd, & 3rd place rankings will go to the top 3 scores. A score of 90 or above will allow a Novice to elect to move up to the PreMaster competition in future years. The 1st place winner of the Novice Class MUST move up to the PreMaster competition if he or she chooses to compete again.
