## The most common questions about the USFG Single Stone Competition:

1. This is a closed competition; cutters must be current members of the USFG. For non-members or former members, membership application/fees/renewals may be submitted with the cutter's entry or online at https://usfacetersguild.org/become-a-member/
2. This is a single stone event. Cutters may not enter multiple stones and they may not enter more than one class or division.
3. Cutters may not enter stones in a class or division below their prior certifications levels.
4. If you are certified in the Grand Master Class, you must continue to compete in the Grand Master class.
5. Entry deadline is August 30, 2024. Stones must be received at the Stone Handler's location by that date. Stones received after that date and stones sent to the wrong Stone Handler address will be returned and will not be accepted for this year's contest.
